MINH NHAT
PHAN

INFORMATION TECHNOLOGY STUDENT

I am a highly motivated information technology student seeking an internship to apply my technical skills and gain practical experience in software development and IT solutions. I aim to deepen my understanding of project management and client servicing, positioning myself to learn from industry veterans and contribute to impactful technology solutions.

SKILLS

- **Programming Languages:** C++, C#, Java, JavaScript, Php
- **Frameworks/Libraries:** Bootstrap, jQuery, ReactJs
- **Database Management:** SQL Server, MySql, Firebase
- **Version Control:** Git, GitHub
- **Soft Skills:** Teamwork, Communication, Problem-Solving

EDUCATION

2022-2025

Major in Information Technology

Dong Thap Community College

CERTIFICATE

2023

Freecodecamp

Javascript Algorithms and Data Structures

PROJECTS

6/2024

Real-Time Messaging Website

Developed a simple real-time messaging platform focused on providing essential communication features and secure user interactions.

Product: https://chat.nhatphan.id.vn

Features:
User Authentication: Built basic user authentication including registration, login, logout, password change, and password recovery.
Media Support: Enabled the sending and receiving of GIFs, emojis, and images to enrich messaging.
User Management: Added functionalities for searching, filtering, and blocking users to improve user control and safety.
Responsive Design: Ensured the interface works well on various devices such as desktops, tablets, and smartphones.

Technologies Used:
HTML, CSS, JS, ReactJs, Firebase, Zustand

INTEREST

Music   Books   Travel
